

Ping Pong

Which one do you want

I don't know
You decide

Well do you like the bigger one or
the really small size

Either one is fine
The smaller one might be easier

Ok sounds good
So the smaller one
Good
And let's see
Do you want it delivered

Well I guess so maybe here
But you know the bigger might be better
Don't you think

Oh ok so

Delivered here would be good
But would I have to be here

I'm not sure
So the bigger one ok

Yea I think so yea
How much is it going to cost the total

I don't know yet
and it looks like
you'll need to be at home I think
when they bring it

Oh ok

Is that ok

I'm not sure
It really depends
But ok so you know I wonder
Maybe let's wait
Would that be ok

Oh ok are you sure

Yea I think so
Let's just wait for now
By the way
How is Jack doing
